So Stuart, just to make sure I'm not missing something, this request was covered by the multi state waiver that was issued yesterday that included Arkansas. Right?

Kurt and Guy-

Greetings! Please find attached a fuel waiver request from ADEQ. I appreciate the assistance John Walser provided to me yesterday in both phone calls and e-mails. In addition to providing our waiver request to you electronically, I am sending hardcopies to U.S. EPA Administrator Pruitt and OECA Acting Assistant Administrator Starfield via overnight delivery.

It is my understanding that in conjunction with this waiver request, the Arkansas Plant Board will be issuing a state fuel volatility waiver. I will provide said state-issued waiver to you once I receive it.

Thank you in advance for your help in this matter. Please don't hesitate to contact to me if I need to provide any additional information.

Sincerely,

Stuart Spencer
